This price list/order form supersedes any and all other price list/order forms. All prices and specifications are subject to change without notice. By placing an order, you are indicating that you understand and agree to all terms, conditions, pricing, procedural instructions noted in the QSI 48 program brochure and this informational order form.

QSI units include commercial ADA, TAS & MN code compliant models. Units are accessorized to meet code compliance. Curtain rods and accessories are not included with shower pans. No plumbing and/or piping included.

The addition of optional accessories will not effect the 48 hour time frame.

*The addition of the factory installed hand-shower/slide guide kit will extend time from 48 hours to 72 hours. The optional factory installed hand-shower/slide guide kit is not available on the following models: QSI 6030 BF 5P 1.0 L/R, QSI 6030 SH 5P 4.0 L/R, and also excludes the shower pans.
